## **3 Introduction**

### **3.1 Background**

Why is AR and Object recognition interesting, for the consumers and Jayway

### **3.2 Previous studies**

List of previous studies done in fields similar to our study. Also comment them and implement the citation in bibliography.

### **3.3 The goal of this project**

What are we going to do and what do we hope to achieve with this project.

## 4 Methods

### 4.1 Project Methodology

How we have planned our work.

### 4.2 Matlab prototype

### 4.3 Tensorflow and Machine Learning

### 4.4 AR implementation in ARKit
